

A SHAFT OF LIGHT CUTS INTO BLACK TO REVEAL --  
A pair of chained hands.  
They belong to a woman who sits up against the wall and shields her adjusting eyes from the bright light. A hairless westerner dressed in skiny vacation clothing and a handbag. This is MAMA, 27. By nature an eager force of good-willed energy. The kind to converse with every person at a party. But right now she's scared and intimidated.  
The light comes from a rectangular slot across the small dark space. An outline of a person peeks from beyond. The slot slides shut. A tiny bit of ambient light still escapes through. Enough to make out that we are...  
INT. BACK OF A VAN  
No windows. Steady tremor and purr of motor implies motion. Mara looks away from the front slot and beside her to see -- A chained woman dressed in hairless skiny vacation clothing like her. This is MOMMY, 31. Her big sister in every way. Taller. Fitter. Bulkier. More of a quiet stern type.  
MAMA is harder to read. Just sits there without emotion. Perhaps numb from fear. Or perhaps it's something else. Mara's attention now turns to the others...  
Half a dozen HISPANIC WOMEN in more reserved outfits. All in chains and quietly shuffling what's to or not to come.  
A TEENAGE GIRL breathes unnaturally hard and fast. Head hanging low. Paralyzed by fear.  
MOMMY, 45, is trying calm her but to no effect.  
Mara hesitates at the sight. Shouldn't get involved. But the Girl's painful terror is just growing worse and worse.  
An idea.  
She pulls a pin from her hair. Whistles for the Girl's gaze. Shows the hairpin off like a magician before a trick.  
And suddenly it's gone. As if eaten by air.
